World Day of the Poor!
We often hear people say, "I haven't much to offer," But today's Gospel reminds us that we all have something to share. It may not be money or special talents. It may simply be the gift of listening, encouraging, caring or bringing happiness to someone else.
Today, the world Day of the Poor, reminds us that there are people around us who are lonely, worried or struggling to make ends meet. We may not be able to solve all their problems, but a kind word, a helping hand or a little time can make a real difference.
Today, November 15th, is also the world Day of remembrance for Road Traffic Victims. We remember all who have lost their lives on our roads, those who have been seriously injured, and the families whose lives have been changed by road accidents. We also remember those who care for and support them.
May we never take life for granted, and may we always look out for one another on life's journey.
