A Candle of Hope!

November is a month when we remember those who have died, especially our family members, friends and neighbours who are no longer with us.
One of the simple ways we express that remembrance is by lighting a candle. A candle may be small, but it carries a beautiful message.
Its light reminds us that love does not end with death, that memories remain precious, and that the light of Christ continues to shine even in the darkness of loss.
When we light a candle for someone we love, it is also a prayer. We place that person in God's loving care and ask that they enjoy the peace and happiness of heaven.
During November, I invite you to light a candle in the church or at home for someone special who has died. As a little flame burns, may it bring comfort to our hearts and remind us that those we love are never forgotten.
